

# THE FURNACE

WORSHIP / PRAYING / SOAKING / BURNING

God is calling all around the world for a generation who will carry and spread the Fire of the Holy Spirit. This move of God is being fuelled today by a movement of Night and Day Prayer.

Always when Prophetic Worship and Intercession is married together with Creative Arts these are the ingredients in Revelations 8 that see the Fire of God released over the nations.

The Furnace is about seeing People coming together in United Prayer, Intercession and worship using Creative Arts together. This is the fuel for Mission and Justice and Nationwide transformation.

Every single Revival began in prayer – Will you be apart of this New Wave of Glory that is sweeping the Earth- The Firestorm of the Holy Spirit.

Gathering people from across the region to regularly pray for revival in our city & nation.

Christians from across the region are invited to join us as we next meet...
